Year 5 Curriculum Newsletter

Welcome to Year 5! We are very excited to get this year started and cannot wait to dive into the learning for this coming term. The children have made an excellent start to the year and we would like to share what we will be learning about during this half term.

English

This half-term we are studying *Cosmic* by Frank Cottrell-Boyce. The story centers around a boy called Liam who is too big for his boots, but his height has some advantages... he can go into space.

Mathematics

This half term in Maths, we will be further strengthening our knowledge of place value and applying this to addition and subtraction. We have begun this half term learning Roman Numerals.

Science

In Science we will be learning about Earth and Space, which will lead us into some very exciting experiments and exploration.

Wider Curriculum

In our other topics we have equally exciting lessons planned. Including mountains in geography, E-Safety and how to use various programmes in computing and continuing our Spanish course!

Meet the Team

The Year 5 teachers this year are Miss Sheehan and Mr Hydes.

Key Dates

Residential: Monday 10th October - Friday 14th October.

Half-term: Monday 17thth October - Friday 28th October.

(Monday 31st October staff INSET day - children not in school.)

Pupils return Tuesday 1st November 2022.

They are supported this year by Miss Young and Mrs Hamad.

Our classrooms currently look like this: (Pine, Birch)

We are really looking forward to getting to know you all over the next few months and have some exciting topics planned that we think you will love!
