

This is an overview of the learning that will be taking place in Year 2 this half term.

English

We will be reading 'George's Marvellous Medicine' by Roald Dahl. We will also be looking at non-fiction texts.

We will be learning about:

- Character descriptions
- Adjectives / expanded noun phrases
- Writing recipes
- Command sentences
- Reading and researching facts
- Writing non chronological reports

Maths

We will be learning about money and also continuing with learning about multiplication and division.

- Recognising the value of coins and notes
- Counting coins and finding coins of the same value
- Making £1 and finding change
- Using arrays
- Grouping and sharing
- 2x 5x 10x tables

Science

We will continue with our topic of 'Everyday Materials' making predictions and testing our hypothesis.

We will be learning about:

- Comparative & fair testing
- Gathering & recording data
- Recording results in bar graphs

History

The Great Fire of London

- How the fire started
- What was London was like at the time of the fire?
- Who was King of England?
- How the fire was stopped
- What impact the fire had on London

Art

Our topic is Printing

We will be:

- Creating our own printing stamps.
- Exploring and creating our own patterns using pressing, rubbing and stamping techniques.
- Printing to represent the natural environment.

RE

Judaism / Pesach

We will be learning about some of the traditions of the Jewish faith, including Passover and the importance of the Seder plate. We will be discussing why these traditions are important to the Jewish people.

PSHE

Our topic is Dreams and Goals

We will be learning about:

- Realistic goals, perseverance to achieve goals, working cooperatively, sharing success, understanding the difference between 'wants' and 'needs'.

Music

We will be building on skills already learnt last term and using these to perform on the PBuzz.

- Exploring different sounds.
- Looking at beat /rhythm
- Reading musical notation

PE

In PE we will continue to learn about coordination and dynamic balance.

- Focus on balance, agility, jumping and landing.
- We will continue with a weekly games lesson with a sports coach.
