1. Pause before you post

(title is a clickable link) The Irish Data Commission has recently released a short (40 seconds) light-hearted but serious video about the risks of sharenting along with some useful advice.

2. AI detective skills game

(title is a clickable link) Two Truths & AI is an interactive game that teaches students to identify AI-generated content. Can you and your children complete the 60 second challenge?

3. VPN use

(title is a clickable link) A new survey from Childnet and Nominet suggests that VPN usage is common amongst 8 - 17 year olds. There are both pro's and cons to using VPNs which include

- Protecting privacy on public WiFi (35%)
- Watching shows and sport not available in UK (30%).
- A small minority use VPN's to circumvent restrictions: 16% to get around parental controls, 16% to try and bypass school blocks/monitoring, 10% to view age-inappropriate content.
